

# Barn Door Hardware

## Bifold Barn Door Hardware Kits

Acme has given new life to the traditional bifold doors by developing a system which incorporates the aesthetics of a barn door but with the functionality of a bifold system.

### Matte Black Finish

48" Track Length  
BD952-04800-MB

78" Track Length  
BD954-07800-MB

## Features & Benefits

- Bifold system does not require extra wall space as the entire track slides within the opening
- This gives your room a major design upgrade while incorporating function and space savings
- Kit includes two steel barn door hangers and 48" or 78-3/4" track, finished in matte black
- 48" Track is compatible with (x2) 12", (x2) 15", and (x2) 18" wide door slabs
- 78-3/4" Track is compatible with (x4) 12", (x4) 15", and (x4) 18" wide door slabs
- Doors sold separately
